in that he brought no gift but then proceeded to demonstrate one of the most appreciated gifts of the evening as he recounted a series of humorous tales allegedly involving the guest of honor.

Mattapoisett Selectman John DeCosta served as Master of Ceremonies. Selectman James Huntoon took part in the presentation of some of the many gag gifts as well as the belt buckle from the Board of Selectmen. Executive Secretary Carol Adams presented gifts from those attending the dinner - a pool cue and two Holgar Smith decoys.

Bill Hubbard expressed his thanks to everyone present. He recalled his serious

automobile accident 19 years ago which laid him up for a long period under severe financial strain. He said that he found out then how special Mattapoisett people are and he has never forgotten. He said that the nine years on the board were a privilege and a pleasure and thanked Jeannette and all of his family for their support during that period when his duties absented him from home very often.

Mr. DeCosta introduced the members of Bill's Hubbard family including his mother. Bill's oldest son was unable to be present as he is serving with the Merchant Marine in Japan.

It was a pleasant evening for all present - a thank you for service from a seacoast town which appreciates the best that its citizens can offer.

Finance Committee reviewed the budgets of all town departments in an effort to gain the \$338,000 needed to cut the town expenditures to comply with the tax limitation law. The Selectmen noted that the amount requested from the Regional Committee consisted of 5% of their total budget. Selectman James Huntoon said

that he would not have a clear conscience going to town meeting and asking for the elimination of complete town programs without going back to Old Rochester for a responsible job of reduction of the regional budget.

Chairman William Hubbard said that he felt very strongly that before essential town budgets were slashed, the whole budget should be reviewed to see what is absolutely necessary. In this session every budget was considered in this way.

The result of the lengthy session was a prospective list of complete services and programs that might have to be eliminated in their entirety if the requested reduction in Old Rochester does not materialize.

Selectman John DeCosta told the group that Treasurer Kathleen Briggs had discovered a C.M. Barstow Trust Fund that now totals \$31,000. It was originally, in 1909, a sum of \$11,000 and left to benefit local schools. Mr. DeCosta said that the accumulated interest of \$20,000 could be used to apply to the operation of local elementary schools. At the conclusion of the session the group still found itself \$85,000 over the budget

TRI-TOWN COMMUNICATION CENTER

Selectmen received a memo from Police Chief James Moran in regard to a meeting to discuss a tri-town communication center. The findings were as follows: 1. No savings would be had by any town. 2. Each member town did not want to lose home rule. 3. Each member town felt it was a step backward. 4. A vacant police station would create security problems. 5. The technical part of a tri-town system would be expensive. 6. Confusion. 7. Rochester is ready to go into a 24 hour, 7 day a week dispatch. 8. Liability factor. 9. Where, how and when will a dispatcher be trained. The unanimous consensus was that none of the members present were in favor of a tri-town communications' system.

BY *Bonnie Blaire*
TRU-TEST COLOR CONSULTANT

Dear Bonnie:

We found some Victorian wicker porch furniture in the attic of an old house we are restoring but we no longer have a porch. Can we use it inside?

Signed, Victoria

Dear Victoria:

What a lucky find! The taste for Victorian wicker is enjoying such a revival that it is now being reproduced.

I hope you can plan a "garden room" in your restored house . . . a light, bright, white-painted room with hanging plants and bold floral patterns. Spray your wicker white. Keep all other furniture to a minimum and paint it white or foliage green.

White-painted Victorian wicker makes a fine, feminine, flowery bedroom too. Keep it light and bright.

It will lend a sentimental touch to the nursery along with ruffles, ribbons and flowers or, use it in a little girl's room.

Spray or paint wicker and other furniture with TRU-TEST non-toxic, rust-inhibiting Hi-Q enamel gloss white or U18 Royal Avocado.

Sippican Seniors

The Sippican Seniors will meet on April 8th at 1:30 p.m. at the Marion Congregational Church Community Center. Three girls, Sally Hamilton, Chris Soule and Chris Lindblom, playing flutes and violin, will entertain. There will be a business meeting followed by refreshments. Mary Haley and Priscilla Geary will serve as co-chairmen of the committee.

There is a waiting list for the trip to Plymouth on April 15th. The Amish trip, May 17, 18, 19, has only nine vacancies. Contact Herb Jensen, 758-2501, if interested.

Dates to remember:

April 8 - regular meeting at 1:30 p.m.

April 15 - trip to Plymouth at 9:00 a.m.

April 16- Birthday Party for March, April and May at 2:00 p.m.

April 22 - Blood pressure clinic, 2-4 p.m.

MATTAPOISETT

It was decided at the last meeting of the Mattapoisett Seniors to change the dates of our April meetings from April 8 and 22 to April 15 and 29, so as not to have a meeting during Holy Week. Will you therefore correct your April trip schedule to the following: April 8, Thursday, Lakeville-Middleboro Shopping; lunch Tamarach Inn, 11 a.m.; April 15, Thursday, no trip, Senior Meeting, 1:30 p.m.; April 22, Thursday, Hyannis Mall, 9:00 a.m.; April 29, no trip, Senior Meeting, 1:30 p.m. This change works out well because we expect the Town Warrant will be approved and ready, and Town Accountant Barbara Dakin will be on hand to explain it and answer questions.

The O.R.R. Drama Club of our high school is putting on a musical entitled "Where's Charley?" on April 2, 3 and 4, and has requested our support. We think that it would be a fine thing to support local talent as well as enjoy a good afternoon or evening of entertainment. Performances begin at 8 o'clock Friday and Saturday evening, and at 2 o'clock Sunday afternoon. For those of you who prefer not to go out at night we propose to offer transportation -- 1:30 p.m. from St. Anthony's Church parking lot, either by private car or, if we have enough reservations, by our minibus. There is a special ticket price for Seniors, and Bernice Manchester at our office at the Town Hall has the information, and will take your reservations. Let's have a good response.

Basketball Banquet

The banquet honoring the 1981-82 Old Rochester Regional High School Basketball Team and Cheerleaders will be held at Gaudettes Pavilion in Acushnet on Thursday evening, April 15. The social hour will start at 6 p.m. and a family style dinner will be served at 7 p.m. with a choice of beef or turkey. Squad members do not need to reserve a ticket. Tickets will be available

Letters to the Editor

In reading Katheryn Nowak's recent letter to the editor I questioned the source and accuracy of her outdated statistics (on strategic defensive weapons), with such skepticism I doubted if her letter warranted response. However, when she rephrased "MUTUAL NUCLEAR WEAPONS FREEZE" to read "NUCLEAR DISARMAMENT FREEZE" I felt compelled to respond to such an uninformed and naive misconception of what a mutual nuclear weapons freeze really means.

I also took personal affront, as a member of the Mattapoisett Citizens for a Mutual Nuclear Weapons Freeze, when accused of not supporting my government. I feel that I am taking an active part, working within the framework of our government, to voice my opinions as a proud American, proud of being a dynamic part of a government of the people, by the people, and for the people.

Mrs. Nowak has also implied that the Rus-

sians are the "enemy of all mankind". I believe that the ashes and the charred remains of young Russian children would differ little from the ashes of our own young, following a "limited?" nuclear war. In my mind the ENEMY OF ALL MANKIND is in itself the destructive power, which super power governments possess, that can destroy all humanity many times over.

What is a Mutual Nuclear Weapons Freeze?

It is the stopping of all testing, production and deployment of nuclear warheads, missiles and delivery systems by both the United States and Russian governments.

It is NOT a call for disarmament, not even nuclear disarmament.

It is NOT a call for unilateral disarmament.

It is NOT a call for reduction in our cur-

rent nuclear weapons stockpile.

On a local level we are simply trying to alert and inform citizens of the reality and horror of what a "limited" nuclear war would mean for our small communities. Perhaps you may realize the potential for devastation, but cannot involve yourself, as it only reminds you of the horrors. Unfortunately, involvement and public voice are our only means of altering this path to world destruction.

Our meetings held in Town Hall are not only for ardent supporters. They are held to have questions answered. If you have doubts or are in opposition to these ideas please be bold enough to come and offer your solutions

LETTER TO THE EDITOR

You have already given considerable space to comments on the "nuclear freeze"; I hope there is room for one more.

The favorable opinions are understandable as an evidence of dissatisfaction with things as they are. It should not be forgotten, however, that the need is for overall arms limitation, consistent with our certain needs for the Nation's defense. As frequently happens, some vested interests may be obstacles.

Dwight D. Eisenhower, in his farewell address as President on January 17, 1961, said:

"The conjunction of an immense military establishment and a large arms industry is new in the American experience. We recognize the need for this development. Yet we must not fail to comprehend its grave implications.....In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or wrought, by the military-industrial complex. FRANK M. SUZAN

FOR SELECTMAN

TOWN OF MATTAPOISETT

As Election Day draws near I would like to present a recap of my qualifications:

- College graduate - Massachusetts Maritime Academy, BS degree
- Graduate of Naval War College, Newport, Rhode Island
- A Navy Captain with 25 years of naval service
- Commanding Officer of five different commands, including the Aircraft Carrier USS Okinawa, with a complement of approximately 2000 men.
- Awarded the Legion of Merit, Meritorious Service Award and two Navy Commendation Medals, plus numerous Campaign Ribbons. The four personal awards cite me for outstanding performance in the areas of Leadership, Administration, Organization and Teamwork.
- Experienced in Private Industry as a Program Manager. Responsible for implementing and controlling over seven million dollars of budgets.

I present to you that my experience and outstanding achievements over the past 30 years are a sound foundation for being your Selectman.

As you measure the character, philosophies and assets of the candidates for the job, I think you should ask yourself these questions -

First, which candidate has demonstrated his skills in administration, personnel management and leadership which are important and needed to hold the office of Selectman in our town?

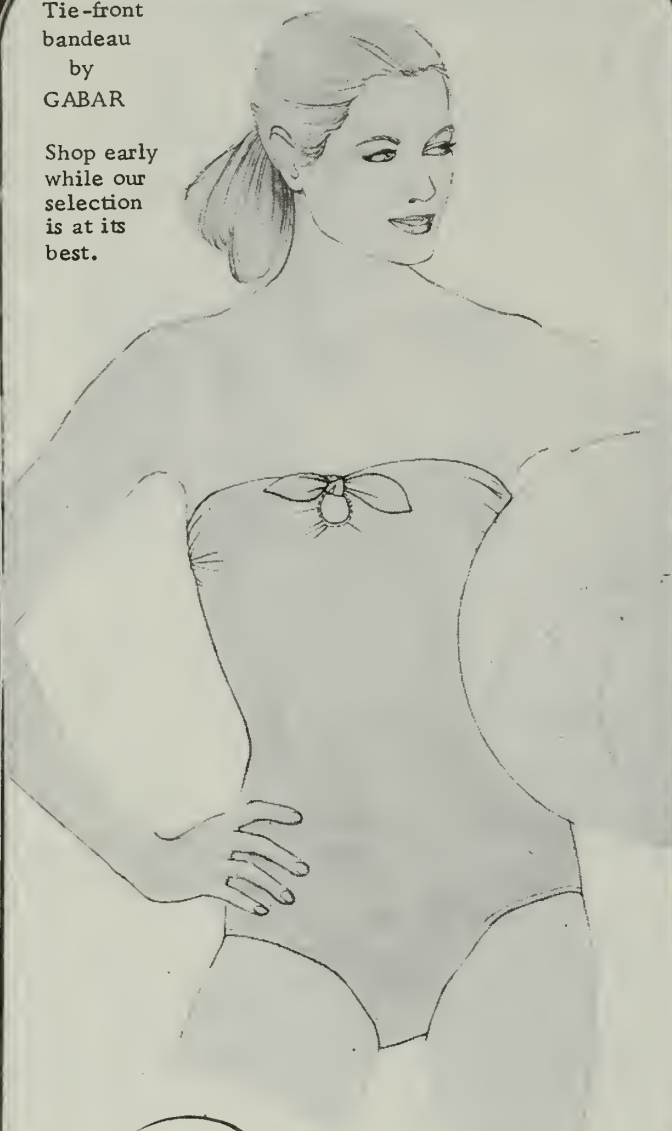

Second, as a matter of being practical, which candidate can best represent the whole town and form an unbiased opinion when dealing with each department and at the same time offer a new point of view?

In both areas, I honestly believe that I stand out. Hopefully, you, too, believe as I do and will support me at the Polls on April 6.

10 ORR All Stars

Ten Old Rochester Regional High School athletes earned all-star berths as a result of their outstanding play this past winter on the basketball floor and on the ice.

Seniors Laurel Ainslie, Amy Beaulieu and Tracy McGrath headed both the SMC and Standard-Times Division II All-Star teams, while Junior Beth Douglas earned a spot on the S-T's second unit.

Mike Barros, Mark Reeves and Chris Riley were all unanimous choices to the SMC's Division III All-Stars, Barros'

choice being a unanimous selection.

Barros and Reeves were also selected to the Standard-Times All Star unit for their roles in directing Old Rochester to the South Sectional III title, the first such state title in the school's 21-year history.

Bill Leggett and John Welling, also highly prominent three-sports performers for the Bulldogs, earned hockey laurels by being named to the Standard-Times All-Stars - Welling as a wing and Leggett as a defenseman. Scott Purtell, another high scoring forward, received honorable mention.

Having ten of its winter sports athletes selected for such high honors is also a first for Old Rochester. Coach Shockro's boys' basketball team finished with a gaudy 21-2 record including three tournament triumphs over Norton, Hopkinton and Wareham. Coach Bob Hohne's girls' basketballers finished at 19-3, including a tourney win over Norton and a loss to Dover-Sherborn. Both fives earned SMC titles for Old Rochester, Hohne's fourth in succession, Shockro's second.

The hockey team also checked in with highly satisfying grades. Bill Titcomb's skaters logged a 7-6-3 mark which included a second

place behind Fairhaven in SMC III, a best ever finish for the Bulldogs who also managed a pair of ties with arch-rival Wareham, 3-3 and 1-1, as well as a 4-4 standoff with Fairhaven in the final league game.

ORR's outstanding basketball center, 6'8" Mike Barros also competed in the Massachusetts Coaches' "Top 48" All-Star games in Braintree. Mike played for the South team and tallied 13 points to help his team to a second place finish.

Much prized by several area colleges, Barros is also being invited to try out for a berth on the Boston-area "shootout" team for play in National competition. Barros turned in an awesome performance in the Old Rochester's three-game sweep to the South Sectional II crown, scoring 68 points and

ORR Champs vs. Faculty

PLANS FINALIZED FOR FACULTY
AND BULLDOG BASKETBALL GAME

Final plans are being developed for the benefit basketball game between the Old Rochester Regional faculty and the State Champion Bulldogs basketball team on Wednesday evening, April 7, at Old Rochester Regional High School.

A large crowd is expected to greet the Bulldogs in their first local appearance since winning the State tournament. Game time for the clash with the faculty is 7:30 p.m. The feature game will be preceded by an All-Star game between the Mattapoisett and Marion Little Leagues at 6:30 p.m. and a girls' All-Star game at 7 p.m.

The program is being staged to raise funds to pay for the banquet honoring the State Champions Thursday, April 15, at Gaudette's Pavilion.

In addition to the three basketball games, a raffle will be held with prizes being awarded to a number of lucky winning ticket holders. Area merchants have contributed prizes for the raffle.

Bulldog Coach "Stooch" Silva has announced that all members of the Bulldog tournament team will see action against the faculty. This game will mark the final appearance in a Bulldog uniform for the team Captains Michael Barros, Abel Rodriques and Brent Spitnale. It will also be the last appearance for senior Mark Kroninger. Silva also plans to provide fans with a preview of things to come with various combinations of players who will see action next year.

In responding to Faculty Coach Rick Rodman's comments about the faculty "blowing away" the Bulldogs, Silva indicated that he had no concerns about the outcome of the game.

"We'll win easily," he said. "I just hope that Michael Barros doesn't accidentally 'slam dunk' Mr. Shockro or Mr. Bobola instead of the basketball."

Both coaches agree that the basketball night is for a good cause and there will be a good turnout.

Perhaps most impressive was the micro-
scope under which students saw bacteria
from their own bodies. A sample was taken
from the mouth and put onto slides. This
certainly brought their classroom work to
life!

There were several other pieces of equip-
ment and a demonstration of what smoking
does to the lungs. Thanks to Mr. Keene,
it was a day when science was exciting.

ance.

The all-day affair began with Mr. Keene
setting up many types of microscopes.
Students were first given an explanation of
what microscopy is and how it is used in
various fields. Students are now studying
bacteria and viruses, so the presentation
was directed toward those subjects. Mr.
Keene provided students with fantastic
photographs clearly showing different types
of bacteria.

The class was then ready and eager to use
the equipment. Under stereo microscopes
they viewed everyday objects including
newsprint, teeth, and the place where Lin-
coln can be seen standing on a penny.
Using a different microscope, they saw
chemicals forming beautiful and intricate
crystals.

EXPLORATION LESSONS IN LANGUAGES

Parents of 7th grade students at Old Rochester Regional Junior High School should be advised that the annual series of exploration lessons in Latin, French, and Spanish have been completed by the advanced language students at the high school under the direction of their teachers. Orientation lessons were provided for all of the 7th grade students during these sessions in order that they might be better advised about their choices for grade 8 foreign language.

Shortly, a selection form will be distributed to all 7th grade students. We ask that parents discuss these selections with their children and return the completed form to Mr. Paradis at the junior high school.

Foreign language study is not appropriate for all students, so you may wish to discuss this with our counselors or your child's team teachers. Should you wish to do so, please call Mrs. Marland at 758-4928.

at no less a place than Westminster Abbey, London. Anecdotes sparkled like the brass of which ancient figures of the illustrious departed, which time and English history has claimed. Some of the beautifully made and mounted Rubbings showed the dogs buried according to ancient customs with their masters. The replica rubbings made a most distinguished display which Mr. Cockrell allowed to be closely examined. Among those depicted was the famous

Tyndale after which the Tyndale Bible is named. Many centuries of English history were unrolled and made vivid.

Mrs. Cockrell, herself versed in the art of Rubbings of runnings from the brass originals, accompanied and assisted her husband.

WHALE Auction

From the attics, barns and businesses of Greater New Bedford have come the hundreds of items to be auctioned this Saturday at the Sixth annual Amazing WHALE auction.

This year, the auction will be held in the former Silverstein's Building at the corner of Union and County Streets, downtown New Bedford. The first item will reach the block at 10 a.m. when Tom and Bill Bourne of Hyannis' Bourne Galleries call for the opening bid.

To allow potential bidders a close look at the assembled offerings, WHALE plans a

Each year, friends of WHALE seek out the unusual, the interesting, the one-of-a-kind, and this year is no exception. Bidders will have the chance at everything from a fully-installed oil burner to antique jewelry.

Other auctionables from area businesses and individuals include a silver plated tray engraved with names of locally prominent people of the 19th century, a 4' umbrella pine tree, 2 binnacle stands, a boat launching or hauling, a Franklin fireplace, a length of rope, a book of your choice to be read aloud, and many other attractions.

And there is more, with the items still

coming in for sorting, cataloguing and display. WHALE auction posters, donated again this year by artist Tom Corey and printers Reynolds-DeWalt, will be sold, along with aprons, T-shirts and other WHALE souvenirs. Refreshments will be available all day Sat-
